### Country Focus: Sweden

This issue assesses the security policy of „NATO's neutral ally“, the capabilities of the Swedish armed forces, current procurement, and the domestic defence industry.

### Regional Reports

- Turkish Air Force
- Turkish Defence Exports
- Polish Technical Modernisation Plan 2019-2020
- The Czech Armed Forces
- Defence Procurement in Spain
- Canadian Navy Update
- K130 Corvette Programme of the German Navy

### Artillery Upgrade Programmes

Efforts of armed forces and the industry to keep assets in service up-to-date.

### Turret Systems

A market overview of modular manned and unmanned turret options.

### BMD for NATO's Southern Flank

Missile threats to Southeast Europe – and NATO's protective shield.

### Transparent Armour

How do vision, protection, weight and cost go together?

### Battlefield Electronic Warfare

Offensive and defensive EW options – a survey on trends, programmes and products.

### Gunnery Simulation and Training

What can be expected from simulation compared to live training?

### Capital Ship Programmes

A global review on acquisition policy for large surface units.

### Close-In Weapon Systems

Advanced protection against new threats: a status report.

### Naval Guns – Global Trends

Demand for NSFS, ASuW and AAW systems is rising – what's on the supply side?

### The RNLN's WALRUS Submarine Replacement Programme

Requirements, contenders, international cooperation options and perspectives.

### The All-Electric Ship

All-electric propulsion: the pros and cons.

### Eurofighter Perspectives in Spain

Now that Spain has decided in favour of FCAS, what future for the Eurofighter TYPHOON?

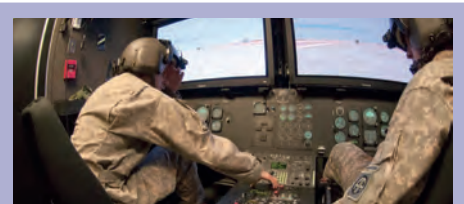

### RHIBs – Mission, Designs, Equipment

Advantages, manufacturers, users: a sitrep.

### Simulator Display Systems Get Better

High-fidelity displays allow for more realistic training – an evaluation of products and developments.
